<u>Track:</u>	Santa Anita 10-13-17 – Spooky					
	<u>Top Selection</u>	<u>A Horses</u>	<u>B Horses</u>	<u>C Horses</u>	<u>Gimmicks</u>	<u>Comments</u>
Race 1	2 – Dukes Up 8/5	6	4	5	PK 5 264w 5w 642w 45w 6241 = \$36	#2 should walk on these in the opener. Last 2 races were monsters compared to anything in here. #6 is turf to dirt and comes in off layoff, has the speed to clear possibly #4 stretches to mile and should be near the pace.
Race 2	5 – Our Slick Chick 5/1***	3	1	4		Got word the #5 is sitting on a big race here. Workouts confirm what I was told and adds blinks for Dorf, I doubt we get anywhere near 5/1, watch board. #3 was flat 1 st out and should move forward here. #1 gets rail and if they go to fast up front, this one will be running late. Ran as maiden in stakes race last out.
Race 3	6 – Earring 2/1	4	2	1		#6 faced a nice field in toga and now goes west. Will sit on or near the lead and should be better than these. #4 will get a nice stalking position vs these and was close last out. #2 is a deep closer and if things fall apart fits here.
Race 4	4 – Stylitude 8/5	5	2	3		#4 was decent stalking in last and should get same trip here. #5 improved deep closing last out with addition of blinker, maybe closer to lead today? #2 stretches out for the 1 st time and should be closing late.
Race 5	6 – Allsquare 6/1	2 4	1	5	PK 4 624w 28941w 365w 865 = \$67.50 – I think this thing pays Brinks	I keep comin back to the #6 here and Im thinking Talamo will be aggressive from the gate, maybe wire this field? #2 will be running late and may get some pace to run at, needs to be a little closer than usual. #4 loves the downhill course and will be flying early, has lost form recently. #1 gets rail and will have to be sent from bell, has shown pace in the past, just not over the lawn.
Race 6	2 – Complimenti 8/1	8 9	4 1	5		Scratch the debut for the #2 and this horse can some nice races across the pond. Stays shorter and I think can stalk and make 1 run here in the stretch. #8 2 nd off the break and adds blinks, last effort was really solid. #9 has been lights out according to clockers, we will see during the real game.
Race 7	3 – Popular Kid 5/1***	6 5	1	4		Scratch last race for the #3 and gets back to Kent D for this late closer, we will be holding our breath with Kent. Gets perfect pace here with speed signed on. #6 will be sent and part of the lead. #5 has some speed and will be in a duel early, got a horrible ride last out.
Race 8	8 – Milhud 5/2	6 5	1	9		#8 has been really solid down the hill and comes in fresh off the layoff and working well. #6 gets over the turf again and shortens up, stalk and should make a run. #5 has been working lights out and gets over the turf for the 1 st time, shortens up as well.
